

SETTING UP AN EXTENDED PRODUCER RESPONSIBILITY SCHEME

Define

- ...waste streams
- ...targets for recycling collection, sorting
- ...financial and operational liabilities

**LEGISLATIVE
FRAMEWORK**

Establish

- ...PRO accreditation criteria
- ...cost-reflective fees
- ...necessary infrastructure

**AUTHORIZE
A PRO**

Build

- ...single electronic registry
- ...harmonized reporting
- ...cross-references to sales data

**SET UP A
REGISTRY**

Institutionalize

- ...independent oversight body
- ...systematic audit
- ...penalties and sanctions

**MONITORING
AND
ENFORCEMENT**

E P R

Lessons Learned

- 1** Voluntary schemes are not sufficient
- 2** Legislation takes long and often covers multiple election cycles
- 3** Deposit-Return-Schemes can be a good start

**Benefits for
producers:**

Secure critical **supply** for
secondary raw materials

Mitigate regulatory
risks and penalties

Financial incentives
for eco-modulation
